

PU Customers Survey

[Campaign Preview](#)[HTML Source](#)[Plain-Text Email](#)[Details](#)

Hello there,

Lucio here, and I hope this email finds you well.

I reach out to:

1. See how things are going
2. Get your feedback on Power University

I created [this survey here](#) to collect some data (anonymous, of course).
It's very fast, so if you have 4 minutes to spare, I'd be super grateful for your opinion.

If you want to reply to this email for more qualitative feedback, that would also be super helpful.

I may not be able to answer everyone, but know that I am deeply grateful for your time, trust, and feedback 🙏.

Here is the [survey link again](#):
